

RISK MANAGEMENT FOR THE STAFFING INDUSTRY

Staffing agencies face risks, so you need appropriate insurance in place to protect your assets in case of lawsuits or accidents. Work Comp, General Liability, E&O and D&O insurance being some of the most important coverages that will help protect your agency. Make sure your coverage meets your risk, and have your insurance reviewed by our experts.

MEET OUR STAFFING INDUSTRY EXPERT, ZACK LELAND

Meet Zack Leland. He understands that Workers' Comp is the lifeblood of the staffing industry and he applies his in-depth industry knowledge to not only get you approved, but also deliver highly competitive rates.

Insuring Staffing Companies in California is a tough risk for Workers' Compensation carriers. That's why you need my industry expertise to help your agency navigate through the fine print that accompanies this and other vital insurance coverages. I make it my business to understand your business. I will personally be there to help.
